IMPROVING
ACCESSIBILITY
TO
CRESCENT
PARK
ELEMENTARY

Our school needs to improve the accessibility of our playgrounds and buildings. Our community has diverse needs among our students, parents and staff. We are starting the process to have these needs addressed. If these improvements are something that you might be interested in exploring with us please come to our PAC meetings or reach out to the executive members. More communication to come as this project moves forward.

"We empower kids with the information and the skills they need. We support parents to have open, honest, meaningful conversations with their kids."

April 15th - Parent Session

Saleema Noon provides age appropriate education to children about their sexual health. There will be an information session for parents on Monday, April 15, 7pm via Zoom.

Talk Sex Today.

Body Science Boot Camp for Parents

Parenthood never arrives with a rulebook, and when it comes to explaining the world of sexual health to your child, it can be hard not to end up a bright shade of red. Using humor and straight talk in an open, interactive environment, Saleema Noon Sexual Health Educators will show you how easy it is to convey healthy, positive messages about sexual health to kids.

In this workshop parents will learn:

- Why we need to talk to children about sexual health at a young age
- How to reduce the risk of child sexual abuse
- What children should know at each stage of development, with specific examples of how to explain concepts and processes
- How to become their kids' preferred source of sexual health information
- How to normalize open, honest sexual health conversations in their family
- How to effectively answer even the toughest questions kids ask
- What will be covered in the Body Science workshops for students

MORE INFO

“We empower kids with the information and the skills they need. We support parents to have open, honest, meaningful conversations with their kids.”

April 18th & 19th - Student Sessions

Crescent Park Kids workshops Thursday & Friday April 18th & 19th in person with Brandy.

Student sessions will take place in person during the school day. The content of the presentations is supported by current research as being age appropriate and we believe that it contributes to healthy child development. Some of the topics Saleema Noon Sexual Health Educators cover in their workshops extend beyond the content of the BC Physical and Health Education curriculum.

For this reason, parents may choose to have their children OPT OUT of the Body Science workshops. Attendance at the parent presentation before making this decision is strongly encouraged.

HOW CAN YOU HELP?

All the executive positions will be vacant in the 2024/25 school year

Please consider volunteering your time for:

President

Vice-President

Treasurer

Secretary

Without an executive all of our PAC funds will be transferred to the district.

Please consider taking on one of these roles or sharing one with another parent.

CALL FOR VOLUNTEERS FOR THE PAC EXECUTIVE 2024/25

We are a few months away from the end of the school year. The majority of the PAC members will be leaving after this year as their two-year term is up. Please note that you can only be in one role for 2 years as per PAC law.

I'm the lone soldier staying and, if voted in, might roll into the PAC president role. However, I need your help!!

We are in search of other executives: someone to take meeting notes, support our various activities for the kids, and lastly, a treasurer with financial experience. Erin, our current treasurer, has done an amazing job organizing us over the past couple of years.

Please reach out to me or the PAC if you're interested or know someone who might be. I would love to build an amazing team for the upcoming year! Sometimes, in the midst of all our responsibilities, we may forget that we need volunteers to make the kids' school year enjoyable with dances, educational activities, hot lunches, and more. To continue this, we need your help. I can't do it alone this coming year—let's make it a fantastic one together!

Looking forward to hearing from you and creating an incredible team for our PAC!!

-Brittany White, CPPAC co-secretary

We look forward to meeting you!
