

PAC Meeting Oct 18th

- Oct 29th will be Halloween activity day at school. Kids can wear their Halloween costumes to school. No replica weapons or face masks allowed.
- Al Pitchler Musical...need to find out if Covid numbers will permit the performance. Maybe before or after Spring Break...if not this year then next. Cost is \$5-7,000 approx.
- Interest in bringing in a speaker, maybe Deborah Johnson, who will talk on the First Peoples in relation to Orange Shirt Day and other such matters.
- First Peoples in Residence Week. Thru the school district...the Indigenous Department and people will come and share knowledge to provide learning to students.
- Plans for Saleema Noon to attend the school.
- There will be no Hot Lunch on Nov 3rd. There was never an order option for parents to order on Nov. 3rd. Hot Lunch apologizes for the mix up.
- Parents, please do not contact our lovely volunteer Hot Lunch coordinator regarding closed deadlines and other unnecessary concerns. If the deadline is closed, it is closed. Please be kind and respectful of our volunteer's time.
- Charity fundraiser...kids wear pajamas to school to support cancer. PAC supplies mason jar and kids bring change to school. Cash on line or bring a voucher to class. Prize from Ms Brett for top class earners.
- PAC meeting time to change to 7pm
- Melissa voted in as new VP, Erin to be new treasurer
- Bin break ins...looking at replacing locks thru volunteer welder.
- Animal Shelter Blanket and Towel Drive. Discussion on when to be held.
- Food drive.
- Meeting ended at 8:04pm.
- Below are the Principal's Minutes.

Emergency Drill Updates

Emergency Drills

Each year we are required to complete:

- 6 fire drills (three before Christmas break and three by June)
- 2 earthquake drills
- 2 Lock Down / Hold & Secure drills.

Our first fire drill on September 29 was well done. Students exited the building in a safe and calm manner. Our first earthquake drill is this Thursday, October 21.

Other Updates:

Field trips are permitted this year and teachers are planning them with the revised COVID health and safety protocols. We appreciate the support of our parent community as volunteer drivers and supervisors. Not all field trips will require parent drivers, buses may be booked for distances that are further away from South Surrey.

Staff Pro-D

October 22nd is the Provincial professional development day. November 12 is an in-lieu day for the professional development we did on August 31.

This Month....

Grade 6/7 Volleyball has begun for both boys and girls. Thank you to our coaches for their gift of time. Scott McIndoe, Jaidyn Mawhinney, Ameera Hashmi, Lori McClure and Val Dhanani.

Thank you to our running club sponsor teachers, Wendi Spoor and Jaidyn Mawhinney and Mr. Ross Davidson. A celebration event is planned later in the month.

School Spirit Days:

Every Wednesday is CP spirit day. Students earn house team points when they wear their CP spirit wear. Other school spirit days are planned by our intermediate classes with their teachers. Students can look forward to PJ day, Crazy Hair/hat day, Team Jersey Day, Multiples day, and other days the classes plan. Halloween parade will be outside on the gravel field in the morning of October 29th.

Remembrance Day assembly and assemblies in general

We have very polarized feelings on the subject. Some parents welcome assemblies with reduced numbers and others do not want them at all until students under 12 can be vaccinated. At this time, we will plan for virtual assemblies. They will be videotaped and shared with teachers using a link. We will also plan for a virtual Remembrance Day Assembly.

COVID Updates...

No cohorts, daily health check required for all students, staff and parents before entering the building. If you feel ill, do not enter and stay home. **Mask mandate for staff and students in grades k-12 when inside the school.** Hand washing protocols remain the same. High touch surfaces cleaned once per day. This is information we received on our ventilation system from our facilities department:

Our district recognizes that proper ventilation in working order, used with other infection control practices can help reduce the spread of the disease.

Where the equipment can accommodate, we have upgraded filters in our HVAC equipment to MERV-13s or where the system cannot accommodate, we have installed the next highest filter – either MERV-11s or MERV-8s. We have also upgraded our building automation system by adding a dashboard to be able to quickly ascertain a problem with the HVAC system and respond in a timely fashion to address.

In addition, to optimize ventilation, we have:

- Increased the volume/exchanges of fresh air being supplied into all buildings by expanding the ‘occupied’ hours by an additional 4 hours;
- Reduced the CO2 set point from 1000 ppm to 800ppm;
- Increased the minimum outside air damper position from 10% to 25%;
- Increased the gymnasium fan speeds to 100% during occupied hours.

The HVAC units serving classrooms, gym and admin areas at Crescent Park have:

- MERV-13 for the gym and 300 wing
- MERV-11 for 100 and 200 wing

The filters will continue to be changed on a regular schedule.

Upcoming dates:

October 21 - Early Dismissal Parent/Teacher conferences

October 22 – Non instructional day – students do not attend

October 29 – Halloween activities at school- students may wear a costume – no replica weapons

Info Requested by PAC on Emergency Bins

In June 2019, Safe Schools, in partnership with the Superintendent’s Department, purchased basic emergency supplies for schools in the event of a wide-scale disaster requiring shelter-in-place. These supplies are a universal list of items based on suggestions from a cross-section of Surrey principals, vice-principals and Safe Schools staff, combined with the Ministry of Education and Emergency Management BC’s suggested list of supplies. The supplies arrived at school sites during the summer in two 65 gallon yellow rolling storage bins. These bins are currently located in our outside container.

The list of included items is below:
